

what is a TWIG?

Terrific Women in Giving is a group of diverse individuals committed to providing support for a wide range of services at Dayton Children's Hospital. Since 1965, the TWIGs have raised more than \$13 million to support patient care, and in 2025, they celebrated their 60th diamond anniversary!

There are 196 members participating across 13 TWIG branches throughout the Miami Valley. Much like branches support trees, TWIG branches support Dayton Children's through a variety of fundraising projects, including:

- auction • luncheons • scrapbook weekends
- fashion shows • moms sales and more

The talents of TWIG members also come together to support two of the Miami Valley's premier events: the Gem City Jam and the Sugarplum Festival of Trees.

Some TWIG members provide direct support to patients and their families by volunteering at Dayton Children's. Others contribute through programs such as Secret Santa, Mother's and Father's Day crafts, and family pizza parties.

The key to the auxiliary's success lies in its members—dedicated, innovative, and enthusiastic individuals who champion Dayton Children's mission to always go “above and beyond” in the relentless pursuit of optimal health for every child within our reach.

our pledge

TWIGs' fundraising efforts will support the expansion of developmental rehabilitation services—including physical, occupational, and speech therapies. When a baby, toddler or young children experience mobility, speech or fine motor challenges, timely and high-quality intervention can make all the difference in their ability to achieve the greatest possible quality of life now and in the future.

The TWIG Auxiliary recently completed a multi-year \$1 million pledge supporting pediatric mental health. In 2026, TWIGs pledged an additional \$300,000 to help expand developmental rehabilitation services to meet the growing need of children in our communities.
